

Children's Corner!

For the first time at the Festival we are delighted to offer an area sponsored by Hobbycraft and Loch Fyne, supported by Wokingham Cultural Partnership and designed for children to have some fun.

Gerry Giraffe

There will be a variety of activities including colouring books and crayons, face painting, sticking, story telling and games.

The children will be able to meet Gerry Giraffe and hear about his travels around the world. He is looking forward to meeting you and hearing your ideas for future adventures.

MORE CHILDREN'S ACTIVITIES

Go along to the Demonstration Theatre for 11am on Saturday and have the chance to make and bake a biscuit with Orsola to take home in the shape of your initial.

This demonstration is followed at 12 noon Christine Bailey will let us in to some secrets on what to eat to become a 'brainy kid'. Let's hope it works for adults too!

Uncle Gio's Italian Joint invites you to join them in their mini kitchen to learn how to make your very own Calzone pizza. This area will be open throughout the Festival so pop over and have a go.

EXHIBITORS OF INTEREST

Both children and adults love sweets. Take a step back in time and visit Beehive Treats for all your old favourites including Sherbet Lemons, Sugar Mice and Kola Cubes.

If you like cake seek out Loveacupcake (Sunday only) homebaked, hand decorated, melt in the mouth with no artificial flavours or preservatives. Yummy!
