Chani and Chris

0118 958 5887 www.chancham.com

Chani and Chris are just two members of a family run café, chancham, based in the centre of Reading. Just like good ol' blighty the family is a mix of cultures and personalities which can be seen influencing their cooking style and 'cook with...' sauces. A fun duo with a great passion for tasty wholesome food. You can also see them in action at the café in The Old Forge, Merchants Place and check out 'mashup wednesdays' and 'saucy fridays'

They will be making a quick meal using their 'cook with...' range of sauces. Sauces from a bottle giving you food that tastes homemade.
